DUBEL TAILORS
DEFEAT OGDENGimlin's Lobsters Lose Out by
Narrow Margin in Fast
Game.OUTCOME UNCERTAIN
THROUGHOUT CONTESTOgden Tries Hard to Bat Out
Victory in Ninth, But
Fails.

By the close score of 4 to 3 the Dubel Tailors won out from Ogden at Walker yesterday afternoon. From a spectator's standpoint it was a splendid game. At no stage of the game was outcome certain and it was most uncertain during the last few seconds of the ball game. Save for a couple of casual errors, it was a fast, clear and merited a larger patronage received.

Ogden Struggles to Win.
At the opening of the ninth, but to stretch their lead into a sure victory, Mortensen finished out a strike, but died in one, two, three, Gimlin's Lobsters came out strong, by a grandstand finish to square the score. Mortensen, who had been nipped at second, Henry muffed on Beck's failure to pull down a liner. Hopkins fanned, but Bluth rest advanced Henry to third.

Sends Fast Grounder.
Taylor sent a fast grounder to right field, but it was caught by the first baseman. The ball was hit hard and fast, but it was caught by the first baseman. The ball was hit hard and fast, but it was caught by the first baseman.

Lobsters First to Score.
Ogden started out determined on victory and scored two runs in the first inning. Bluth singled and went to second on Douglas's wild throw. Bruyette knocked out a safe one that landed on the first base and scored Bluth. In the second inning, Ogden scored first on a well-placed single, then advanced Bruyette to third. He walked and so engaged the Tailors by stealing second that Bruyette had a chance to score. He did it in the third and last run in the sixth. Sea walked to third enabled Dad G to come home at a lover's gift.

The Fatal Second.
Save for his temporary balloon ascension in the second, the local tailors had a good game for Ogden. But a couple of walks and a wild throw in the third gave Salt Lake a lead that Ogden could not overcome. With two men on, Lake did his scoring. James was out at third. Gunn was relayed out at second and it looked as though the 7-2 had a whitewash coming. Beck's error worked his way to third base. As Taylor muffed up with a grounder, the error was a costly one. It enabled Beck to score and landed safely on the first base. Jensen, the last, singled, advancing Sea to third. Douglas walked and the were full. Bluth was puzzled. He lacked control, and Stewart walked. He Seare home. An error by Bluth allowed Hahn to make first base again. He looked as though he had a high fly to second. This closed the inning for the Tailors, but the work had been done.

Twirlers Work Well.
Ogden struggled hard to overturn a lead gained by the local tailors in the first inning. Bluth pitched good ball, but got snappy support, but the end game found Ogden short in the line of runs. During the game Bluth pitched a good, steady game. He secured seven strikeouts.

Another Game Today.
The Tailors and Ogdenites will walk the field again this afternoon.

Whether Wet or Dry, Contest Will Be Exceedingly Interesting.
The Tribune baseball team will play a game of ball this morning with the team from Wagoner's brewery. The game will be called at 1:30 p. m. and will no doubt be very interesting. Rumor was afloat yesterday that there would be a pipe line constructed from the brewery to the grounds, at Twelfth East and Fourth South, but upon close investigation it was found to be without foundation. The game will be a good one and ought to draw a large crowd. The lineup of both teams follows:

| Tribune | Wagoner's |
|-------------|------------|
| A. Charon | W. Sutton |
| G. Smith | O. Visel |
| D. B. Smith | A. Visel |
| J. Lloyd | B. Holden |

More Investigations.
CHICAGO, June 2.—The city has decided to appoint a commission to investigate conditions at the stock yards with a view to determining how far the recent customs or methods employed in the killing of beef and hogs is justified. Mayor Dunne today, after a conference with Health Commissioner Whelan, decided to ask the co-operation of the Federal Government and the authorities will be asked to name several members of the commission.

COUNTY SCHOOLS HOLD
FIELD DAY AT CALDERSStudents From Granite, Murray
and Jordan Contest for
Athletic Honors.

Salt Lake county school field day was held Saturday at Calder's Park. The sports began at 10 a. m. and continued on through the day until 4 p. m. Three districts competed, namely, Granite, Murray and Jordan.
The basketball game between Murray and Granite districts was the first on the program. The score for this game was: Granite, 22; Murray, 7.
The baseball game of the day was between Granite and Jordan; the score being 11 to 13 in favor of Jordan.

Amos Jones, Jr., of the firm of Davis & Jones, reports their shearing plant on Dairy creek has been closed down for the present on account of the heavy rains in that vicinity. This is one of the best plants in southern Idaho, being equipped with the most modern apparatus and having a capacity to shear 300 head daily. Mr. Jones says that although the shearing season will be short, they will shear about 100,000 head, about half of which number is owned by the people of Malad valley, who have contracted the clip at 25 cents to 35 cents per pound.

The Malad Electric Light and Power company, which is financed by Salt Lake parties, will be ready to furnish lights for the town in the near future. The electricity is transmitted for a distance of about fourteen miles.

of Business.

Special to The Tribune.
MALAD, Ida., June 2.—On account of the likelihood of malad being on the proposed transcontinental line of the Oregon Short Line, which company has been surveying a route from here to Burley, the town is enjoying quite a building boom, which is indicative of its thrift.

Many New Buildings.
Rock is being hauled for the Malad Co-op Annex, which building, when completed, will be one of the largest structures in southern Idaho. The brick store of Abrahamson Simmons, located on North Main street, is nearing completion. Plans and specifications for the \$2000 pavilion which is to be erected on Hancock street have been received by the firm of Wess & Fink, who will commence erecting the building at once.

Good Shearing Season.
Amos Jones, Jr., of the firm of Davis & Jones, reports their shearing plant on Dairy creek has been closed down for the present on account of the heavy rains in that vicinity. PANAMA SUPPLIES TO
BE BOUGHT AT HOMEContracts to Be Awarded to the
Lowest Responsible
Bidder.

WASHINGTON, June 2.—The Senate today received the conference report on the railroad rate and Statehood bills and heard the announcement of the result of the deliberations of the Committee on Privileges and Elections on the case of Senator Smoot. In the case of Senator Smoot, Senator Burrows, who made the statement as chairman of the committee, asked that a day be fixed for the consideration of the subject, but objection was made because the official report was not ready for consideration and on that account the further consideration of the subject was postponed. There was no discussion of either the Statehood or the rate question.

Supplies Resolution Adopted.
The consideration of the joint resolution prescribing a policy in the purchase of Panama canal supplies consumed the major part of the session, and it closed by the adoption of the resolution by practically a party vote. The Democrats sought in many forms, but in vain, to secure the adoption of an amendment that would commit Congress against the protective system. The amendment adopted was one suggested by Senator Pettus, providing that bids shall be accepted from the lowest responsible bidder. After passing a large number of private pension bills the Senate adjourned until Monday.

More Trouble for Nicholas.
ST. PETERSBURG, June 2.—Several strong searchlights have been mounted on the fortifications of Constantinople to command the palace at Peterhof and a guardship has been stationed just off shore. These precautions indicate the extent of the Imperial family.

Attack Stranded Vessel.
GIBRALTAR, June 2.—The British steamer Craighall, from Cardiff for Savona, is ashore off Point Ceres and is being attacked by Moors. The British cruiser Amethyst and a torpedo boat are proceeding to the steamer's assistance.
